Specialty Candles

The Island of Salvation is proud to offer unique, handpainted glass candle holders and libation bottles by internationally recognized artist, Sallie Ann Glassman. Ms. Glassman is also the artist and co-creator of The New Orleans Voodoo Tarot, the artist of The Enochian Tarot, and the author and artist of Vodou Visions.

Each candle holder is similar to the 7-Day glass candles we sell, except you are able to refill this holder with inserts we sell or with your favorite type pillar candle. Each holder is one-of-a-kind, acrylic painted on glass and sealed with acrylic varnish. No two are exactly alike. These candle holders also make great vessels for filling with colored glass or marbles. The libation bottles are used for favorite liquids for spiritual work or even for salad oils and dressings for those very special occasions.

Please allow 4-6 weeks for delivery as each holder is created after we receive your paid order. All shipments containing art are insured; **ALL OTHER SHIPMENTS ARE INSURED ON REQUEST ONLY.**
